Public Works Dept: (775) 334-2548  
Design Firm Name: City of Reno  
Construction Contractor: TBD  
Contractor Phone: TBD

### **Latest News September 2015**

In April of 2015, the Reno City Council approved the allocation of Community Development Block Grant (CDBG) funds to the Neighborhood Revitalization Program.

City Staff is currently underway with the design of this project. Process to obtain public use easements for properties along Valley Road has is also underway. Staff anticipates final design and easement acquisition will be completed by January 2016.

A presentation of the project will be made at the Reno Access Advisory Committee meeting later this year.

### **Project Description & Purpose**

This sidewalk project is intended to enhance public safety and access to schools, services, transportation for residents of low-income neighborhoods in the Montello Street and Valley Road areas.

The project will include the installation of new ADA ramps and new sidewalks on both sides of Montello Street from Oddie Blvd. to Wedekind Road.

In the Valley Road area from 9th Street to Highland, the project will include improvements for sidewalk accessibility by providing a minimum of 4 feet clearance around obstructions and the installation of new ADA pedestrian ramps.

### **Project Schedule**

Design Completion: January 5, 2016  
Advertise: January 7, 2016  
Bid Opening: January 28, 2016  
Council Award: February 3, 2016  
Construction Start: March 14, 2016  
Construction Complete: May 2016

### **Construction Costs/Funding Sources**

Funding Source: Community Development Block Grant funds (CDBG)

Engineer's Estimate: \$444,000.00

### **Construction Traffic Control**

For current traffic control information please see the City of Reno's weekly Road Closures.
